Slice Factory and Sweet Spot Donuts Host Grand Opening Event in Bolingbrook

Grand Opening Celebration to Include Free Slices for First 100 Guests, Donation to Local Nonprofit, Dog Treats and More

BOLINGBROOK, Ill. – No matter how you slice it, Bolingbrook’s restaurant scene just got a jumbo-sized sweet addition.

Slice Factory, admired for serving its jumbo slices throughout the Chicagoland suburbs and city neighborhoods, has announced its grand opening will take place June 28, 2021 at 11 a.m. CT. The new restaurant is located at the Country Aire Shopping Center (225 N. Weber Rd.). The opening also coincides with the launch of Slice Factory’s new coffee, donut and gelato concept, Sweet Spot. Guests in Bolingbrook can finish off their meal - or even start their day - with fresh donuts, coffee and gelato through Sweet Spot.

To celebrate the brand’s arrival in Bolingbrook, Slice Factory is hosting a grand opening event for new and longtime fans. The first 100 customers in line will receive a free jumbo slice of pizza of their choice. Additionally, Slice Factory promises to donate \$1 per jumbo slice sold after the first 100 slices to Heart Haven OutReach (H2O), a nonprofit organization that serves middle and high school teens in the greater Bolingbrook and Romeoville area who are experiencing challenging times. The event will also feature music, a bounce house, a clown, merchandise giveaways and free dog treats for those who bring their furry friends to the event.

“Slice Factory is making a splash in Bolingbrook with an event intended to bring the community out for a fun-filled day together,” said Dom DiDiana, founder and president of Slice Factory. “From day one, we want the community to know we’re committed to partnering with other local businesses. Giveback has always been a priority for the brand, and we’re thrilled to use our grand opening as an opportunity to support a wonderful organization like H2O.”
